# SERVING BY GIVING

Partnering with gospel work in Europe

## WHO ARE WE?

Once the centre of Christianity, Europe now has the smallest number of Bible believing Christians in the world. European Christian Mission's vision is to see Europeans transformed by Jesus Christ.

## WHAT DO WE DO?

Our workers partner with local believers to equip, connect and multiply followers of Jesus through discipleship and church planting across Europe.

## ECM IN NEW ZEALAND

In response to the need to send workers into Europe's harvest field, ECM in New Zealand seeks to send out and support people whom God is raising up to serve in Europe.

## THE NEED FOR GIVERS

Sharing the gospel in Europe relies on a partnership between "goers" and "givers," where both play vital roles in God's redemptive plan for the lost in Europe. Those who go, share the gospel and serve communities, while those who give, provide the financial and prayerful support necessary for the work to thrive. This partnership is a two-way blessing, fostering both spiritual growth and the spread of the gospel. Will you consider partnering with us financially to see the gospel shared in Europe today?

"Giving to missions can be a way for us to express our love for God and other people. It is also an act of faith, trusting in God to provide for us as we help to provide for others."

-Johanna, Trustee
