

SERVING BY GOING

Partnering with gospel work in Europe

WHO ARE WE?

Once the centre of Christianity, Europe now has the smallest number of Bible believing Christians in the world. European Christian Mission's vision is to see Europeans transformed by Jesus Christ.

WHAT DO WE DO?

Our workers partner with local believers to equip, connect and multiply followers of Jesus through discipleship and church planting across Europe.

ECM IN NEW ZEALAND

In response to the need to send workers into Europe's harvest field, ECM in New Zealand seeks to send out and support people whom God is raising up to serve in Europe.

THE NEED FOR THOSE TO GO

Europe needs more disciples of Jesus who will make disciples. Despite its Christian heritage, Europe is a mission field, a harvest in need of more workers. From the generations of young people walking away from faith, to the ongoing influx of refugees, there are challenges and opportunities for ministry, requiring your support, your talents, and your obedience to go out and partner in God's redemptive plan for the lost in Europe.

I was challenged with these words from 1 John 4:14 where we are reminded that we have seen but we also need to go and testify that the Son is the Saviour of the world.

WHERE DO I START?

It's important to seek God's will for your life through prayer and meditation on his word.

Consider how has God wired and gifted you.
Where is God calling you?
