

SERVING AS SENDERS

Partnering with those on the field

WHO ARE WE?

Once the centre of Christianity, Europe now has the smallest number of Bible believing Christians in the world.

European Christian Mission's vision is to see the peoples of Europe transformed by Jesus Christ.

WHAT DO WE DO?

Our workers partner with local believers to equip, connect and multiply followers of Jesus through discipleship and church planting across Europe.

ECM IN NEW ZEALAND

In response to the need to send workers into Europe's harvest field, ECM in New Zealand seeks to send out and support people whom God is raising up to serve in Europe.

THE NEED FOR SENDERS

We need churches and organisations who are willing to participate in God's redemptive plan for the lost in Europe. As senders, you will partner with us in this mission.

Your role as senders is key. Raising awareness. Supporting those who may sense a calling. Making a praying and financial commitment. And though you may not have those among you that may be sent, there are many first culture workers who would welcome partnering with you.

"It's a wonderful privilege to be part of sending ECM workers into the field. We have had the opportunity to partner in gospel work in another part of the world, to pray and encourage and share in the highs and lows of that work. The time we've spent with our ECM mission partners has been deeply encouraging to our whole church community."
