

SERVING BY PRAYING

Partnering with gospel work in Europe

WHO ARE WE?

Once the centre of Christianity, Europe now has the smallest number of Bible believing Christians in the world.

European Christian Mission's vision is to see the peoples of Europe transformed by Jesus Christ.

WHAT DO WE DO?

Our workers partner with local believers to equip, connect and multiply followers of Jesus through discipleship and church planting across Europe.

ECM IN NEW ZEALAND

In response to the need to send workers into Europe's harvest field, ECM in New Zealand seeks to send out and support people whom God is raising up to serve in Europe.

THE NEED FOR PRAYER

Our *Partners in Prayer* are crucial for supporting the work of our ECM Office and our field workers in Europe. We need people who will stand in the gap, people who long to see the impact of prayer spread throughout the world as God moves in response to the cries of his people. Prayer is a powerful way to participate in God's redemptive plan for Europe and a vital complement to financial and practical support.

"Prayer is an invaluable way to support our ECM workers, the teams, and their projects. We would love for you to join us in prayer and lift all of those who God has called to the mission field in Europe, and those who work to support and enable them.

-Shaun, Trustee
